

Ankit has more than ten years of experience in the DE&I, talent management, career management field within higher education, healthcare, and K-12 settings. He had the privilege of assisting underserved as well as underrepresented populations in his entire professional journey, specifically in the lens of P-20. Now, due to his diverse educational and professional journey, he can use all his experiences to work with the multi-generational professionals to assist with their diverse talent management needs across organizations and industries.

Ankit currently serves as a Vice President of Programming for Human Resources Association of Central Ohio (HRACO). He also serves on Workforce Development Committee and Diversity, Equity, Inclusion & Access Committee at the Columbus Chamber of Commerce. In the past, Ankit served as a Diversity & Inclusion Special Interest Group leader for Central Ohio Association of Talent Development (COATD) and currently serves as a member of the committee. He recently graduated from emerging leadership program which he was nominated by leadership through Columbus Chamber of Commerce.

Ankit also have had the opportunity to present at variety of professional associations and organizations. Please see below all his achievements in the presentation area.

“Diversity, Equity, Inclusion, & Importance of Belonging in the Workplace”, New Directions, 2022

“Understanding Generational Diversity in Today’s Workplace: Creating Synergies Through Effective Communication”, National Diversity Council, 2022

“The Great Resignation: Employees Voice”, OCDA, 2021

“Continuous Career Disruptions Across Industries: Confidently Committed to Changing Racial Equality, Gender Equity, and Need to Create an Inclusive Workforce”, OCDA, 2021

“Creating Synergies Across the Multigenerational Workforce”, Ohio Diversity Council, 2021

Ankit holds a BS in Early Childhood Education from University of Toledo and a MEd in Higher Education Administration with specialization in Student Affairs from North Carolina State University. He recently graduated with his second master’s degree, MA in Workforce Development & Education with specialization in Adult Education & Human Resources Development from The Ohio State University.
